

PLOT OF LAND WITH SEA VIEW IN BORDIGHERA

Plot of land with an approved project in Bordighera. Near the sea, a flat plot of about 3700 square meters with an approved project for the construction of two villas. The area of one villa is 200 square meters plus additional rooms, another villa is about 250 square meters plus additional buildings. It is also possible to re-submit the project in order to combine two houses into one large. It has a sea view as well. The project provides the construction of a swimming pool. Additional information and photos on request.
