

IMPERIA SEA VIEW VILLA

RIF. 13986 - PRICE: € 1.500.000 - MQ 700

Historic villa from 1800 with sea and port view in the center of Imperia, Porto Maurizio, a few steps from the sea, the cycle path and all services. Inserted in a unique context, the property has gardens, private courtyard, gym, solarium and covered and uncovered parking spaces, offering numerous advantages both residential and tourist. The villa is on three levels connected by an elegant internal staircase in nineteenth-century marble, with period materials that give it a timeless charm and luxury. Access is via a driveway gate onto a panoramic and botanical terrace, which leads to the main entrance with an open staircase with a large skylight characterized by Cathedral glass. On the ground floor there are two large living rooms, one dedicated to reception and the other to the dining room
