

## MENDE CHATEAU / MANSION FOR SALE

Wonderful castle on 7600 sqm of land which gives on a large courtyard with South-East facing. It is composed of a ground floor, 2 levels and an attic (which can be restored). There are many outbuildings, and 2 small independent houses. The castle has been restored recently (central heating, double glazing..). Very nice authentic stone stairs. It suits for a professional project (welcoming activity, restaurant etc..). Quiet place and easy access.
