

MANDELIEU-LA-NAPOULE VILLA FOR SALE

Absolutely superb Villa, situated between Mandelieu and Tanneron in a much sought after residential area with panoramic sea views all around. The house was built in 1992 by master craftsmen and so splendid materials of the highest quality have been used throughout. Enourmous living room of around 50m with working chimney. The property is surrounded by tropical gardens and is not overlooked. There are 5 bedrooms at present but there is room for another, one with ensuite bathroom and dressing. At ground level there is a very large area which has been finished to the highest quality. Ideal for a games room, this then leads out onto the pool and peaceful gardens and that all important glimpse of the sea. Plenty of parking space . Nothing to do except move in and enjoy...
